

The **MailHub** Postal Franking System - the complete solution that gives **you** the choice.

The complete solution to all your mailing needs with our mid volume postal mailing system..

Professional quiet fast mailing

The **MailHub** is the professional choice for ease-of-use and advanced functionality.

- Quiet operation with one-touch controls
- Choice of weigh scale for accurate rate calculation
- Envelope processing speeds of up to 60 letters per minute
- 35 Departmental Accounts / Cost Centres

SMALL SIZE, QUIET OPERATION, GREAT VALUE

Conveniently compact, quiet and easy to use, the **MailHub** has been designed to be friendly to every aspect of your business. It boasts many of the features you'll find on larger machines. An automatic label dispenser is included as standard. No more fuzzy franking marks. The **MailHub's** advanced inkjet technology produces a crisp, clear frank and a clean, positive message about your company. Your envelopes can be used as selling tools, with the **MailHub** storing a selection of customised marketing slogans. You can get it to print new text messages any time you like.

CHOICE OF POSTAL SCALE WITH FREE UPDATES

Whether you prefer an integrated scale platform or a heavier duty stand alone system the **MailHub** is the system for you. Mailcoms stand alone in offering completely free postal rate updates on all our postal scale options.

ACCOUNTING MADE EASY

The **MailHub** allows you to easily recharge your postal costs, either to other departments or to customers, with mail accounting capabilities for up to 35 accounts. Accounting records can be printed onto franking labels or through an external printer.

FREE MARKETING WITH A PERSONAL TOUCH

With the **MailHub** you'll enjoy a more business-like image – not to mention free advertising! You can customise your mail message to include your company name, special greetings, marketing slogans – even logos and photographs. There are also eight pre-set messages to choose from as well as stamp, date or message-only modes for extra flexibility.
