

The **MailHub II** Postal Franking System - the complete solution that gives **you** the choice.

*Unique Low Cost Eco- Friendly  
Refillable Ink Cartridges!*

# The complete solution to all your mailing needs with our mid volume postal mailing system..

## Professional quiet fast mailing

The **MailHub II** is the professional choice for ease-of-use and advanced functionality.

- Quiet operation with one-touch controls
- Scale 'Rate Wizard' for fast accurate rate calculation
- Envelope processing speeds of up to 40 letters per minute
- 10 Departmental Accounts / Cost Centres

## SMALL SIZE, QUIET OPERATION, GREAT VALUE

Conveniently compact, quiet and easy to use, the **MailHub II** has been designed to be friendly to every aspect of your business. It boasts many of the features you'll find on larger machines. An automatic label dispenser is included as standard. No more fuzzy franking marks. The **MailHub II**'s advanced inkjet technology produces a crisp, clear frank and a clean, positive message about your company. Your envelopes can be used as selling tools, with the **MailHub II** storing a selection of customised marketing slogans.

## ACCOUNTING MADE EASY

The **MailHub II** allows you to easily recharge your postal costs, either to other departments or to customers, with mail accounting capabilities for up to 10 accounts. Accounting records can be either viewed online or via the large display and printed onto franking labels or through an external printer.

## FREE MARKETING WITH A PERSONAL TOUCH

With the **MailHub II** you'll enjoy a more business-like image – not to mention free advertising! You can customise your mail message to include your company name, special greetings, marketing slogans – even logos and photographs.

## ONLINE MANAGEMENT

Monitor, track and control your postal expenditure online. Simple, postal rate change downloads and simplify ink re-ordering with low-ink email alerts.

## STAY CONNECTED WITH LAN

Save time and increase efficiency by taking advantage of the LAN connection included as standard across the new Mailhub II Franking Machine Range.
