PostBase® Fusion
Advanced

PostBase® Fusion Advanced
Stylish. Secure. Connected

The PostBase® Fusion Advanced is equipped with hands-free automatic feeding, SealCheck envelope security, and top-of-the-line technology such as cloud-based analytics, advanced online account management, and scalable digital solutions. Meticulously engineered with users in mind, the PostBase® Fusion Advanced is intuitive to use with an icon-driven interface so that any operator can process mail with ease. In addition to a professional business image, the PostBase® Fusion Advanced offers new marketing opportunities with an integrated text message and QR code generator to print alongside your postage. This mail machine embodies an award-winning design that integrates perfectly into any office environment, available in five designer colours to best suit your style.

MyFP Customer Portal

Advanced portal options offer full online control of your mailing system. Including meter operator and cost account management, orders and invoices, support and FP digital products and services.

MailMark®

All FP franking machines are equipped with Royal Mail's MailMark 2D barcode technology. With FP's MailMark discount, you can save on postage with the best rates available!

SealCheck Sensor

Exclusive to FP's PostBase® line, SealCheck envelope sealers ensure security by validating that each envelope flap passes through the sealer.
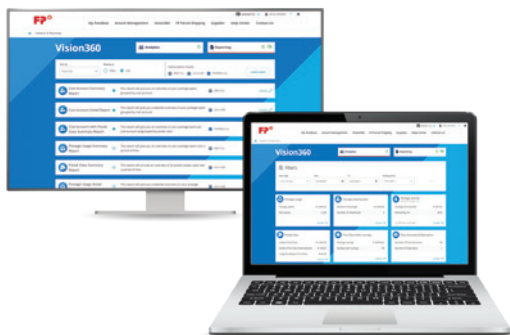

FP Parcel Shipping
Ship. Track. Save.

Paired with the PostBase® Fusion, FP Parcel Shipping is the perfect companion to send packages. FP Parcel Shipping comes equipped with the Royal Mail shipping rates with the option to add multi-carrier shipping, giving you the power to select the best rate for the day you want your package to arrive.

Saving time and money while sending packages has never been simpler. This online shipping application allows you to easily compare rates and print shipping labels with the tracking barcodes for the carrier and service selected.

FP Parcel Shipping also offers:
- Discounted Commercial Pricing
- Address correction and validation
- Package tracking dashboard with email notifications
- Add-on multi-carrier rate shopping option
- Prints to thermal label printers and A4 paper

Vision360
Postal Analytics and Reporting

Created with exclusive technology, the PostBase® Fusion offers advanced postal analytics and reporting through Vision360. Accessible through the MyFP Customer Portal, Vision360 provides companies a 360-degree view of postal usage to better monitor, manage, and control postal expenditures.

With the Vision360 analytics dashboard, you can get an operational overview of postal expenses, ink and postage on the machine, and postage downloads for better budgeting and planning. Getting the right report you need in the format required is easy. Report types are displayed on-screen as tiles or in a list view that can be sorted by favourites, alphabetical, report type or subscription level.

Reporting Metrics Available:
- Postage Download
- Postal Usage
- Cost Accounts
- Postal Class (Advanced & Professional)
- Meter Operators (Advanced & Professional)

The Basic subscription is included with your PostBase® Fusion mailing system and offers basic reports. Optionally, the Advanced subscription tier unlocks additional reports while the Professional subscription allows you to combine multiple metrics into a single report, in addition to unlocking additional reports.
