

SmallOfficeSeries™ DM60

Manage all your mailing needs with our new desktop mailing system

The DM60 digital mailing system with built-in scale is ideal for the small business or home office that sends upwards of 5 letters or parcels per day. It will give you exact postage every time as well as savings, convenience and efficiency.

- **Savings** - using a Mailmark™ franking machine, you have access to the lowest franking prices from Royal Mail
- **Convenience** - refill postage in one easy step with Postage By Phone®. No more trips to the Post Office to buy stamps
- **Efficiency** - update postage rates automatically to ensure accurate postage

The DM60 also allows you to advertise your company on every letter, instantly bringing a professional image to your business. You can create your own messages using the text entry facility or download custom made graphics using IntelliLink®.

The Benefits of MailMark™

This Pitney Bowes product is MailMark™ compliant. Pitney Bowes customers have access to all the numerous features and benefits that MailMark™ can offer, such as:

- Automated tariff updates eliminate surcharges
- Cost-saving benefits and extra discounts compared to current franked mail
- MailMark™ compliant machines are network connected for faster and more frequent downloads
- Print your own Prepay Reply envelopes
- Improve your mail presentation with promotional messages
- Enhanced Postage Reporting via Pitney Bowes INVIEW™
- MailMark™ compliant systems will always update to any Royal Mail developments

Product Benefits

- Integrated scale calculates the correct postage - never guess or overpay again
- Avoid time consuming trips to the post office - frank mail from your office, 24 hours a day
- Access all Royal Mail UK and overseas postage rates at the touch of a button
- Project a professional image for your business, five preloaded advertising slogans included
- Postage funds remain secure, protected by PIN code
- Prints postage for all envelope and package sizes
- Accounting for up to 10 departments, allowing postage class and spend to be tracked
- Ability to access postage data via Pitney Bowes INVIEW™, online postage reporting
- Date and Time Stamp ensures incoming mail is handled efficiently
- Text Entry, add personalised messages to every letter
- Manual weight entry, enter common weights for exact postage costs

Monitor Costs

INVIEW™, our web-based, easy to use, reporting feature allows you to:

- Have visibility of your postage expenditure by class and format
- Extract information and present simple graphical analysis
- Monitor spending to identify waste e.g. overuse of first class or large letter format

Specifications

Dimensions 351mm long x 264mm deep x 231mm height

Weight: 4kg (with integrated scale)

Electrical: 220-240 VAC, 50/60Hz 0.25A

Connectivity

Pitney Bowes DM60 is Mailmark™ compliant. Your system should be connected via a network or WiFi to allow for automated updates and data uploads to Royal Mail (as per the Royal Mail Franking Scheme). Analogue telephone connections are no longer suitable for Mailmark™ systems. An alternative connection is available through a PC. However, this method does not allow automated updates.
