#### Accurate pricing

The IS-290i comes loaded with all the Royal Mail UK inland and international postal rates, giving you the exact price for all its services. Calculating the correct postage is easy with our on-screen rate wizard.

#### Manage your mail on-line

myneopost is an on-line service which allows you to analyse your postage expenditure, order supplies and service.

#### Make your mark in style

With the IS-290i, you'll enjoy a more professional image and free advertising. You can easily customise your mail message to include your company name, special greetings or marketing slogans.

#### Postage savings

IS-280 utilises the Mailmark Royal Mail tariff, which is guaranteed to deliver the lowest price in the franking channel (eg over 30% cheaper than stamps on standard 2nd class letters).

#### Give yourself a little credit

With a neoFunds account you can download postage when you need it and pay in arrears. No more estimating the amount of money you need at the start of the month, only to run out unexpectedly. neoFunds improves your company's cash flow and increases efficiency.
